Valley Hospital Auxiliary Gala

Guests attending the 59th Annual Valley Hospital Ball at the Rockleigh Country Club danced the night away to a popular mix of music provided by the Craig Scott Orchestra. The holiday topiary theme was beautifully achieved thanks to the generosity of Raimondi Horticultural Group and the creativity of Evention Inc. (201) and Neiman Marcus provided the Men's and Ladies' gifts, respectfully. Proceeds from this year's Valley Ball will be donated to the hospital as part of an on-going pledge by the Ridgewood Auxiliary Branch in support of the Valley Pediatric Departments.
